

M BISHOP MIEGE HIGH SCHOOL

2018-2019 Annual Report

Dear Friends of Miege,

As I look back on this past year, I reflect on the many blessings bestowed upon our school. The gifts of prayer, time and resources from our alumni, parents and friends allows Bishop Miege High School

to provide the best faith-filled education to our students. The heartfelt generosity by the many individuals who support the mission of our school allow for Bishop Miege to remain extraordinary.

In the pages of this Annual Report, we will share with you some of our many accomplishments that are the result of the entire community working together for the continued success of Bishop Miege High School.

We are extremely thankful for your support of Catholic education here at Bishop Miege. On behalf of the faculty, staff and students, I thank you for what you have allowed us to accomplish and look with anticipation to what the future holds.

With gratitude and prayers,

Randy Salisbury
President

The **Bishop Miege Board of Trustees** are members of the community, approved by the Archbishop, to manage the activities of the school. In 2010, each high school in Johnson County became their own not-for-profit corporation, with the Board of Trustees responsible for ensuring the mission of the school is consistent with the Catholic Church and the school's finances and assets are managed appropriately. In addition, the Board of Trustees is responsible for hiring a President. Each Trustee serves a three-year term with a maximum of two consecutive terms.

“Miege is a wonderful, faith filled school full of caring people. There is no other place I would rather call my second home.”

- Blake, Sophomore, Honors Classes, Swim Team

Dear Miege Friends,

“I don’t have to worry about Bishop Miege because they come to me with solutions to challenges rather than problems.” These words were stated by Archbishop Naumann this past November to those gathered at our 25th Foundation Dinner. We have hosted

this event every year since 1995 with one of the purposes being to thank and recognize members of the Miege community for their exceptional stewardship. Archbishop Naumann made his remarks at the end of the evening and just after the update of Bridge to the Future. The Archbishop was referring to the leadership provided by the Bishop Miege Foundation Board for their service in guiding our school through many challenging times. Since 1992 the group has come up with solutions to serious issues involving facility decline, the opening of two new Catholic high schools and tuition affordability for our families.

“The Foundation has saved Bishop Miege High School” is another comment Archbishop Naumann has made on previous occasions. Over the past 27 years Foundation Board members have overseen three major capital campaigns and the acquisition of the north campus. These projects have given our students and staff a campus that is on par with any metro Catholic High School. And now, with the Foundation leading the way, we are close to establishing a scholarship program (Bridge to the Future) with an endowment like no other in the area that will annually provide tuition support for over 220 students for decades to come.

Financial support for these initiatives have totaled over \$40 million. These accomplishments were made possible by the vision of the Foundation Board in union with the countless alumni, current and past parents and friends who have so generously supported these projects.

There are many reasons Bishop Miege is an exceptional Catholic high school. One of those reasons is definitely because of the leadership of both the current and past Foundation members-- listed on this page.

Our school community has been truly blessed by the dedication and commitment of these individuals in securing a bright future for our school. On behalf of all of our families-- past, present and future-- we thank them for all they have done in support of providing the very best Catholic education for our students.

Blessings,

Dr. Joe Passantino
Foundation Board President

2019-2020 FOUNDATION BOARD

The **Bishop Miege Foundation** was created in 1992 as a financial advisory group. Today, its purpose has grown to benefit Bishop Miege by assisting the school with fund raising and volunteer activities, advocacy in the community, as well as expert legal and financial counsel.

Stags Supporting Their School

STAG STRUT

Miege students collect pledge donations in support of their education by taking part in the annual Stag Strut. The school-wide event generates revenue to help off-set the more than \$1,000 difference between the actual cost of education vs. tuition. The students reached their goal of \$60,000 with 95% participation. It was a great day for students and faculty alike, while at the same time, helping raise the necessary funds for the school at the same time.

MAGAZINE & COOKIE DOUGH SALE

The Bishop Miege Annual Magazine and Cookie Dough Sale kicked off on January. Credit goes to the diligence of Miege students, families and staff who worked to raise \$37,688. Through buying and renewing magazines or purchasing cookie dough during this campaign, we acknowledge your continued support of Bishop Miege and its programs.

STAG SHOP

The Stag Shop is a resource for the students, alumni and friends of the school to purchase spirit wear, uniforms and gifts all year. In addition to student fundraisers, the profits from the Bishop Miege Stag Shop benefit student activities and programs.

All are invited to show their Miege spirit by flying our flag, adhering a car sticker, wearing the red and blue Bishop Miege logo, or placing a yard sign in yard to help support Bishop Miege High School. The shop is open while school is in session at various times and is now available online at: bishopmiegestagshop.com.

College Readiness

At Bishop Miege we have implemented a STREAM curriculum with the integration of Religion and the Arts into STEM content areas. STREAM responds to career readiness for the current generation. A cross-integration of curriculum for deeper learning with technology and collaboration, merging 21st century teaching and learning with the timeless truths of faith and beauty in all of the subject areas.

STREAM is not a new curriculum, nor is it a specific subject. STREAM is a creative method of teaching a concept across a variety of subjects. STREAM uses technology to advance the experience. Not only do students use traditional text, but use white boards, Smartboards, laptops and collaboration to process and learn.

Working in creative spaces and working outside the standard scope and sequence of every day classroom STREAM challenges the way teachers teach and more importantly, how students learn. Rather than passively absorbing lecture material to repeat back during the next test, STREAM learners delve into the unknown, asking questions and seeking answers that are real and relevant to their lives so that they are better prepared for life beyond high school.

Interdisciplinary and applied approaches to Science, Technology, Religion, Engineering, Arts and Mathematics with creative collaborative spaces.

As a Catholic school, our mission is to educate the whole student; therefore, taking the principles of STEM infusing Religion, and adding the arts to provide students the creative thinking skills necessary to communicate and advance in the real world.

The new math hub located in the Kincaid Media Center is a place for students to go throughout the day for enrichment with a Math teacher for all levels of math. The quiet space allows for collaboration for students to work on projects and share expertise.

SCHOLARSHIP FOR THE 21ST CENTURY

The Senior Class of 1990 initiated the class gift idea to invest money into Miego. They collected from their classmates along with donations from the Student Council to provide scholarships for future students. The senior classes since then have continued donating to the scholarship fund. With the participation from 1990 through 2018, the current scholarship fund is \$676,199 .

In addition, the following classes have established reunion gifts: 1956, 1958, 1960, 1964, 1967, 1968, 1969, 1979, and 2005

Stag Achievement

Charlie Hill scored a perfect score of 36 on the ACT exam as a Junior. This is the first time a student has obtained a perfect score in 36 years. He is a well-rounded student participating in cross country, debate, forensics, robotics, Page Pirates, Scholar's Bowl and is a member of National Honors Society.

Katie Taylor was recently named a Commended student in the 2019 National Merit Scholarship program. Commended students placed among the top 50,000 scorers of more than 1.6 million students who entered by taking the 2018 Preliminary SAT/National Merit Scholarship Qualifying test.

STATE DEBATE The 2020 Stags Debate team placed 2nd this year at the State tournament. It was a tight match with a 12-2 record and 31 ballots; Paola was 1st with a 12-2 record and 32 ballots.

The Fall musical, **Singin' In the Rain** was a huge hit for the sold out shows that took place in the fall. This years' musical was more challenging with all the dance numbers being tap. Most of the students had never tapped before but with a lot of time, effort, and preparation the cast pulled off the dance numbers with ease.

EMBRACEing Miege A new "Go Stags Go!" Snack Shop has opened by our special needs students that are part of an Entrepreneurship class. The students fill orders and deliver the snacks to teachers during 4th hour. The students also sold handmade Christmas cards during the holiday season.

With funding from *EMBRACE, the program is overseen by Miege's new Learning Resource Director, Mallorie Hurlbert. She is a 2003 alum with two Master's degrees from the University of Kansas, obtaining her license in Social Work and Educational Leadership.

The mission of EMBRACE is to provide children with special needs the opportunity for an inclusive education by providing the resources to support these children in their home parish schools.

Supporting Catholic Education

On April 27, 2019, “Hats off to Miego” annual auction was a huge success under the leadership from Auction Chairs Greg (’78) and Danielle (’79) Wilcox. It was an evening of fun and surprises as over \$409,000 was raised to support Catholic education at Bishop Miego High School.

It was a record setting year for the Fund-a-Need with over \$169,000 raised for Phase I of the renovation of the South entrance and replacing the lighting in the auditorium.

The overwhelming success was a reflection of the efforts and dedication from our volunteer efforts of our alumni, parents, faculty, staff and friends of Miego. THANK YOU!

47th Annual Auction
MIEGE FEVER
Bishop Miego • April 25, 2020

The 47th annual school auction is set for April 25th, it is the largest fundraiser to benefit Bishop Miego. This year’s 70’s theme “Miego Fever” will promise a great night of glitz, fun with exciting auction items. Our volunteers are in full auction mode with planning meetings, gift donations and gift gathering parties. To learn more visit the Auction tab on the Bishop Miego website.

FUND-A-NEED

Upgrading the auditorium with state-of-the-art lighting was this year's Fund-a-need. Countless students benefit with this investment in the arts at BMHS. In addition, funds were also raised to begin Phase I improvements to the South entrance.

TURF & TRACK

Bishop Miege was one of the first schools in the area to have an artificial surface playing field. Twelve years later, the lifespan of the turf and track was near its end. In the summer of 2019, the turf and track was replaced and upgraded with the help of generous donors:

Doug and Karen Burton
Dan and Erin Dercher
David and Sara Doeren
Bill and Marianne Dunn
Kirk and Mendi Eskew

The blessing of the new track and turf took place on September 6th before the first home game at Dixon Doll Stadium. The Dave Doeren Family Plaza was dedicated prior to the game:

"It's a privilege to be a member of the Miege family. Many of my childhood memories were made in this stadium. Lessons were taught, lifelong friendships were made, and tough united teams were forged through shared adversities and tremendous competitive strain. As a former student-athlete and current coach I am so proud to see Miege thrive. For those who come next, fight to continue to raise the bar and know that all of us stand with you in your journey to leave your legacy." -Dave Doeren, Class of 1990, member of the 1989 Varsity football team

Foundation Award Honorees

HERB ROME STEWARDSHIP AWARD

Among the highlights of the 25th Annual Bishop Miega Foundation Dinner on November 2, 2019, was the presentation of the Herbert Rome Stewardship Award.

The Foundation established the Herb Rome Stewardship Award in memory of Herb's commitment to Miega beginning in 1955 when he worked on the campaign to build Miega and continued in many capacities up to his passing nine years ago.

The 2019 recipient was John Latenser, who was recognized for his longtime, exceptional commitment to Bishop Miega High School. John has been a leader in a countless number of campaigns and fundraising efforts for over 24 years. He and his wife Mary remain active in their commitment to the students at Miega, years after their children have graduated, JP ('99), Stephen ('01), Elizabeth ('02) and Leah ('06).

ALUMNI OF THE YEAR

The Bishop Miega Alumni of the Year Award is presented to a graduate who has given his or her time, talents and loyalty to enhance Bishop Miega and its traditions.

The 2019 Alumnus of the Year was presented to Eric Martincich '73 at the recent Foundation Dinner. Both Eric and Mary Jo and have been true ambassadors for Bishop Miega High School. Eric's history of stewardship and volunteerism is truly exceptional. He and his wife, Mary Jo, have been loyal supporters of Miega initiatives including: the Annual Auction, the Dream House and the Annual Fund. In addition he has supported, while taking on leadership roles in our major campaigns beginning with Because Miega Matters, Future of Miega Athletics and the current Bridge to the Future.

SPECIAL RECOGNITION

Larry Gates was also recognized for his exceptional leadership, service and determination in providing the best opportunities for the students at Bishop Miega. Larry joined the Foundation Board in 1997 and served as Chairman for 15 years.

As one of the five "Men in a Tub", Larry's support was instrumental in the acquisition of North Campus, formerly Old Mission. He also has guided the Foundation through two major capital campaigns and the current *Bridge to the Future* scholarship drive. His leadership and expertise continue today as a member of the Foundation Board.

Dorothy Josephine Murphy Spezze

Dorothy served as a teacher for 42 years at Bishop Miege High School in Roeland Park, KS. In addition to teaching typing and business classes, she served as alumni director and was the moderator of the cheerleading and pep clubs. She passed away in October, 2019.

Before retiring from Miege, Dorothy was asked, "What have you most loved about Miege?"

"Miege, since its beginning in 1958, has held a special place in my heart and life. This deep truth has been in my relationships with everyone involved in what was, not a building called Miege, but a community of people, students, faculty, parents, alumni, and friends-all sharing a special ministry in an ongoing search for truth in an environment conducive to human and Christian values. I've continued this search since retirement with the Miege community whether it might be through contact and work with the Miege Open Golf, reunions or volunteer work in the Miege Development Office. Miege has been good! Life has been better !! This community has been the best!!!"

Coach Bob Tavernaro

Bob was born in Kansas City, Missouri, on July 30th, 1943, and spent his life in the Kansas City area where he taught and coached for over forty years at several area schools. He passed away in November, 2019. He began his teaching and coaching career at Bishop Miege Fall of '79 to Spring of '84. He also taught in several schools around the Metro including Southwest High in KCMO, Grandview, Shawnee Mission Northwest, Blue Valley North, Blue Springs, Raytown, and finally returning to Bishop Miege where he finished his coaching career.

During his career, he was a part of teams that won many conference and state titles. He earned four conference 'Coach of the Year' awards, as well as the honor of being inducted into the Greater Kansas City Football Coaches Hall of Fame.

Mackenzie Rae Cowan, 15, a Bishop Miege sophomore passed away on September 27, 2019 as a result of brain cancer. She fought the battle fiercely for four years and endured countless labs, chemo treatments, surgeries and hospital stays. Mackenzie played softball and loved her time with the Drama Club.

Miege supported Mackenzie throughout her illness using the hashtag #TeamMackenzie and wearing purple in support of her at various school events. Hundreds of students turned out for a candle light vigil at her parents home to honor the strength and courage she showed during her battle.

We are grateful for the support to the Annual Fund during the 2018-19 fiscal year for it makes a positive impact on every student, every day.

The Annual Fund helps to support all programs and activities at Bishop Miege High School. A special thank you to the Miege community and to the following alumni, listed by class for their contributions.

Giving back to Kansas City. Miego alumna John Bukaty '92 (pictured front left) not only donates a painting to Bishop Mlege each year for the annual auction, but he gives back to his home town in so many ways. Recently, he provided an art lesson at St. Anthony's Senior Living Center while visiting from New Orleans.

Profoundly Changing Lives

Your support is needed to provide the necessary resources to make up the difference between tuition and actual cost of a student education, about \$1,000 per student. Providing financial assistance helps off-set the rising cost of programs. With your monetary support and prayers...

2019 Commended Student
National Merit Scholar
State Debate Team Member

"Miege has enabled me to grow in the best version of myself; the school's debate, forensics, and theatre programs have all given me confidence and prowess as a leader that will carry me forward for the rest of my life"

- Katie Taylor, Class of 2020

You can make a difference in the life of a student.

Outside the Classroom

Career Day Tradition This year 26 professionals shared their professional work experience to Miege students for the 2019 Career Day organized by the Guidance department. The wealth of knowledge this annual event brings to our students each year from our alumni and community is a great example of the Miege spirit and giving back.

Rival Tradition The Miege dance team hosted the St. Thomas Aquinas dance team and performed together during the football half-time. This has become a tradition organized by the coaches to learn and rehearse a routine together to form a sisterhood among the two rival schools. Aquinas will host Miege to perform again at the basketball game during the winter season.

Team Effort The Miege girls' basketball team helped the River Valley Food Bank and completed a day of service while in Ft. Smith, Arkansas. The team was there for a tournament and made use of their down time and helped the local food bank prior to the Christmas holiday demands. This is the second year has helped while participating in the out-of-state games and serving the host community.

Payton Verhulst - 2021, led the USA Women's U16 national basketball team to the gold medal in Aysen, Chile over the summer. Team USA went undefeated and Verhulst was named tournament MVP.

Mason Weber - 2020, a scholar-athlete has committed to continue his education and football career at Princeton in the fall. He is also a member of National Honor Society

Spencer Jones - 2019 is a starter for Stanford University basketball team and recently visited while at the Sprint Center for the Hall of Fame Classic competing for the Championship title.

Notre Dame University Jafar Armstrong - 2017, just finished his Junior year at and has played a big role with the as a running back. Colin Grunhard - 2017 recently earned a scholarship for his Senior year. He was a walk-on and has been on the roster since his freshman year.

Creating a lasting legacy. Why Miego?

Excerpt from retired teacher, Clara George following 40 Years of teaching and leadership at Bishop Miego.

My husband Bob and I shared a passion for education. While we were both working we tried to be good stewards of many blessings and we began to envision ways to invest in our passion. Then retirement gave us a clearer view of how to leave our assets as a legacy to support that passion. Bob's diagnosis and passing interrupted our plans to realize our vision. Left in my hands, it has been an honor to fulfill our shared plans and hopes by creating the George Living Trust naming the Bishop Miego Foundation as a beneficiary. We want to support future Miego students in their pursuit of growing and learning in a faith infused community.

Although I have had to be the face of the trust, it is important to me that everyone knows this: it is our, Bob's and mine, combined spirit that leaves this legacy.

*Sincerely,
Clara George*

Building God's Kingdom in Kansas One Catholic Legacy Gift at a Time.

For decades, Bishop Miego has been blessed by a remarkable commitment to our school from our parents, alumni and friends. We ask for your continued support as we work to ensure a strong future for Bishop Miego High School.

As you plan for your future, please consider a planned gift to Bishop Miego. There are many options available so we encourage you to visit with your attorney and/or financial planner to determine the best way to remember Bishop Miego in your estate plans.

TYPES OF PLANNED GIFTS:

- **BEQUESTS:** Designate a gift to Bishop Miego in your will or trust.
- **CHARITABLE GIFT ANNUITY:** In return for a donation, receive a fixed income for life.
- **CHARITABLE REMAINDER TRUST:** Transfer assets irrevocably to a trust, receive an income for life and the remainder goes to Bishop Miego upon your death.
- **RETAINED LIFE ESTATE:** Donate your residence to Bishop Miego as a beneficiary on a certificate of deposit, an annuity, IRA or retirement plan.
- **LIFE INSURANCE:** Designate Bishop Miego as a beneficiary on your life insurance policy or gift a policy you no longer need.

Please contact the Development Office at 913-262-2701, ext. 238 or email Susan Tremonti at stremonti@bishopmiege.com with questions or to let us know you have made plans for a gift. We would love the opportunity to thank you for your generous act. We are happy to honor your wishes regarding anonymity.
